ASM Materials Camps provide practical ideas and strategies that are easy to implement in your classroom.

NGSS ALIGNED

I cannot say enough about the instructors. Knowledgeable, professional, enthusiastic!

This workshop was the best thing I’ve done since the first teacher camp! I am furiously integrating as many activities as I can into my plans for the coming year!

Calling All Teachers!

Temple University | Philadelphia, PA
August 14 - August 18, 2017

Who Should Attend?
- High School Teachers: Science (especially Chemistry and Physical Science), Engineering, and Industrial/Vocational Technology
- Middle School Teachers: Physical Science
- Pre-Service Science Teachers
- Art, Math, and Community College Teachers as space allows

Why Attend?
- Learn how to engage your students using simple, low-cost experiments that you can integrate into your existing lesson plans
- Help your students discover career opportunities in science and engineering

What’s Included:
- 4 CEUs, demonstration materials, lunches & snacks
- ACT 48 credits available to Pennsylvania teachers

Graduate Credits Available:
- 2 graduate level credits are available for $250 through the University of Missouri–Kansas City (optional)

Schedule:
- 8:00am - 5:00pm - Monday - Thursday
- 8:00am - 3:00pm - Friday
