Camp Theme: “SeaPerch Science and Robotics”

Camp Description: The Greater Philadelphia STEM Center (GPSC) Summer Camp at Temple University is a 2-week residential camp that provides activities, experiments, projects, and field experiences for students entering 6th, 7th, or 8th grade in the fall of 2017. Students attend the camp free of charge. Students currently in grades 5, 6, or 7 who have an interest in science and mathematics, at least a B average in science and mathematics courses and a passing score on the state’s standardized science and mathematics tests are eligible to apply. The camps will be held on the main campus of Temple University, 1801 N. Broad St., Philadelphia, PA 19122. Residential camp students will stay in a dorm on the main campus of Temple University.

Camp participants will be selected from the Greater Philadelphia Metropolitan Area.
