

MATERIALS CAMP[®]

ASM MATERIALS EDUCATION FOUNDATION

Free Workshop for STEM Teachers!

Temple University (Ambler Campus) | Ambler, PA | August 13-17, 2018

Enhance your professional development with this no-cost workshop introducing new tools to engage students in math and science.

WHO SHOULD ATTEND?

- High school teachers: science (especially chemistry and physical science), engineering, and industrial/career and technical education
- Middle school teachers: physical science
- Pre-service science teachers
- Art, math, and community college teachers, as space allows

WHY ATTEND?

- Learn how to engage your students using simple, low-cost experiments that you can integrate into your existing lesson plans
- Help your students discover career opportunities in science and engineering
- Next Generation Science Standards (NGSS) aligned curriculum

WHAT'S INCLUDED?

- 4 CEUs, demonstration materials, meals
- Graduate credits: 2 graduate level credits are available through the University of Missouri-Kansas City

HOW TO APPLY:

<https://www.surveymonkey.com/r/997BFG8>
